# Welcome to the world of indulgence

Dear Customers,

Welcome to the world of outstanding organic tea by Sirocco. We can imagine nothing more desirable than sharing our passion for unmatched enjoyment with like-minded people.

## All our tea varieties are certified 100% organic and of excellent quality

All teas selected for the Sirocco range are packed in fine, handcrafted sachets made of biodegradable materials. Containing no glue or staples, each sachet is individually hand-sewn with non-bleached cotton thread and is, effectively, a miniature work of art.

For us, only one quality is good enough: the best!

## Tea gifts

Whether you wish to surprise your clients with luxurious tea gifts or include our organic teas in your own range, our vast choice of tea selections leaves no wish unfulfilled.

We are able to produce, assemble and wrap gifts to suit all your individual needs: with wrapping paper, gift ribbons, personalized cards, logos or address label. And if you prefer, you can leave the entire logistics to us.

On the following pages, you can take inspiration from the various gift options with our organic luxury teas.

We would be delighted to meet all your needs. Please bear in mind that special requests may lead to longer production times.
